

Victory Loan
on Main Line

QUOTA FOR ENTIRE DISTRICT SUB-
SCRIBED IN RECORD TIME.
WOMEN WORKERS MAKE
DRIVE A FINE SUCCESS.

Within thirty-three hours after the campaign started, the Main Line district from Overbrook to Malvern, exceeded its Victory Loan quota of \$1,145,400 Tuesday, beating its campaign plan of "over the top in forty-eight hours" by fifteen hours. H. L. Whittemore, chairman of the Main Line Victory Liberty Loan Committee, at Ardmore, made the announcement at 9 o'clock Tuesday night. He could not give detailed figures, but said there was no doubt of the situation from partial reports received.

And the women did it—the women of the Woman's Main Line Committee, headed by Mrs. D. G. Rombach, of Haverford. Their splendid organization made the house-to-house canvass and turned in the hundreds of small contributions—fifties, hundreds and some thousands—that made Mr. Whittemore's announcement possible.

Ardmore, which was over the top by noon Monday, was above the \$400,000 mark Tuesday.

Merion, with a quota of \$92,000, had passed the \$200,000 mark Wednesday. Wynnewood, where a woman's committee in charge of Mrs. Phineas Prouty has been working, easily passed the \$32,000 quota. At Ardmore, which has reached the half million mark, Mrs. Horace Sellers and her committee of women turned in 600 subscriptions of \$50 each in five hours, a total of \$30,000. Villanova-Rosemont district is well over its \$50,000 quota. Mrs. Geo. E. Snyder's Bala-Cynwyd woman's committee reported numerous small subscriptions in excess of the district's quota of \$110,000. Bryn Mawr, with a quota of \$140,000, was able to report officially Wednesday subscriptions exceeding \$175,000.

In previous loans the Main Line has led in subscribing the quotas early in the campaigns, but the quick work this time beats all records, and the Men's Committee freely admits that the women deserve the credit.

Mrs. Rombach's principal aides were the chairmen of the local committees, who included Mrs. George E. Snyder, Bala-Cynwyd district; Mrs. C. P. Fowler, Narberth; Mrs. Horace Sellers, Ardmore No. 2; Mrs. H. L. Whittemore, Ardmore, No. 1; Mrs. Charles S. Starr, Haverford; Mrs. Casper W. Hasker, Bryn Mawr, No. 1; Mrs. M. P. Burlingame, Bryn Mawr, No. 2; Mrs. Clarence Dolan, Rosemont-Villanova; Mrs. Floyd Chadwick, chairman Main Line Victory Chorus, and Mrs. M. J. Ensign, publicity chairman.

Postponed Lecture
to be given Next
Thursday

L. M. KEIM AND PERRY REDIFER,
JR., WILL TALK ON "TRANS-
PORTING THE ARMY TO
FRANCE."

Next Thursday, May 8th, the last illustrated talks of the "America at War" series will be given at the Y. M. C. A. starting at 8 P. M. This event had been planned for April 24th, but the date was changed in favor of the Civic Association Annual Meeting, which was held on that night in order to secure Mr. Cattell as a speaker. Just as on the first three nights of this series of talks, the speakers are both able to explain the slides from first hand knowledge, Mr. Keim having been connected with the shipbuilding and Mr. Redifer with the transport service.

Adults and high school students are cordially invited. Younger children must be accompanied by parents.

A rousing song period will be held as a part of the evening's program. Let us hope we can sing a Victory Song to celebrate Narberth's large oversubscription to the Victory Liberty Loan.

At the request of the Postmaster General the United States Civil Service Commission has announced an examination to be held at Narberth, Pa., on May 21, 1919, for the position of Postmaster at Cynwyd. This office has an annual compensation of \$1,800.

To be eligible for this examination an applicant must be a citizen of the United States, must actually reside within the delivery of the office and have so resided at the time the vacancy occurred.

Application Form 304 and full information concerning the requirements of the examination may be secured from the Postmaster at the place of vacancy or from the Civil Service Commission, Washington, D. C. Applications should be properly executed and filed with the Commission at Washington, D. C., in time to arrange for the examination of the applicant.

THE FIRESIDE

Have you a "V" in your window?

Miss Delphine Mecke, of Iona avenue, is out again after a month's illness with pneumonia.

Mr. and Mrs. David D. Stickney have moved into their new home recently purchased on Forest avenue.

The Y. M. C. A. greatly appreciates the fine lot of wallboard that Mr. Poor secured for use on the gymnasium walls.

What is that "M. P. R. S." Class? No member of the class will tell what the name means.

Mr. and Mrs. Charles R. Jones, of South Narberth avenue, have sold their home and purchased another property in Cynwyd.

Soldiers and sailors of Narberth, stop at the Post Office and register your name, etc., for future record and reference.

Master Roy Hubbard, the only child of Mr. and Mrs. Freeman H. Hubbard, will celebrate his first birthday on May 6 at his home, 316 Woodbine avenue.

Mr. Emmett will be greatly missed by his classes for a week or so, as he is undergoing another operation on his knee.

Men recently discharged from the Army or Navy are cordially invited to investigate the membership offer of the local Y. M. C. A.

Mr. Bowen is speaking to-day at Coatesville in the interest of the organized Sunday School Class and its activities.

The Main Line Community Council will hold its second meeting in the Milestone, 845 Lancaster avenue, Bryn Mawr, on May 6th, at 8 o'clock.

Don't fail to read about the illustrated talk to be given at the Y. M. C. A. next week. You are cordially invited to attend.

William Durbin, who has been in service abroad with the Hospital Unit, No. 20, landed in New York Monday morning. Bill has been doing valiant

duty with some of the baseball teams in France and has won fame as a pitcher.

By the way, is your name on the Y. M. C. A. contributing members' list? If not, will you look into the opportunity for putting some money into this institution that is striving to serve Narberth? An investigation will prove it worth while, and your help is needed.

The many friends of Earl Dickie will be glad to learn that he has successfully passed the examination for commissioned officer and is now a Second Lieutenant in the A. E. F. At last report he didn't know whether he would be sent back to the United States or detailed for duty in Germany.

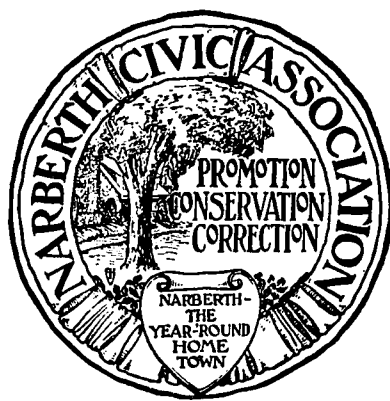

Romantic marriages do not always turn out well. In "The Probation Wife," to be shown at the Palace Theatre, Ardmore, on Wednesday, and featuring Norma Talmadge, a convincing story of love and gratitude is presented in which originality of plot and skill in handling the many details is made into a most excellent entertainment.

Too much credit cannot be given the Women's Auxiliary of our Y. M. C. A. for its determination to shoulder the responsibility of putting a much needed new roof on the building. The President, Mrs. Stickney, is back in town and giving ungrudgingly of her time and energy to this work. The other officers and members are working side by side with their leader with heaps of optimism and a feeling that they will "go over the top."

Miss Emma Mueller entertained at a miscellaneous shower last Thursday evening at her home in honor of Miss Elizabeth Miller, whose engagement to Mr. Frank Millange, Jr., of New York, has recently been announced. MAIN LINE'S SHIP SELECTED.

A few hours after the Main Line Liberty Loan Committee had definitely established the fact that the district had exceeded its quota of \$1,145,400, an official communication was received from Washington, D. C., announcing that a 7,500-ton cargo carrier, nearing completion at Hog Island, had been selected to be launched as the "Liberty Land," the name selected by the committee. Because of the showing of the Main Line in the last loan drive it was given the right to name a ship and chose its sponsor, Mrs. Norton Downs, of Merion, will christen the ship.

Dues for Voting Membership for one year, \$1.00. Every resident of Narberth and vicinity eligible.

ANNUAL ELECTION.

The regular annual election of officers of the Civic Association was postponed from March 30 meeting until the April meeting in order to prepare for a larger attendance.

The meeting opened with a welcome by President Joseph H. Nash. The minutes of the last meeting were read by the Secretary and approved.

Mr. Nash explained fully the work of the "Main Line Employment Bureau," and asked everyone to make use of its facilities for securing help.

The Spring Flower Show was announced and plans outlined. An amendment, introduced at the March meeting, was voted on and approved.

Resolved, That the Constitution of the Narberth Civic Association be amended.

That Paragraph 1, Article V, be amended as follows:

"The officers of the Association shall be composed of voting members, and shall consist of a President, three Vice-Presidents, a Secretary, a Corresponding Secretary, a Treasurer, and a Board of Directors consisting of eighteen (18) members. The officers shall hold office for the term of one year, and the Directors shall be elected six for one year, six for two years, and six for three years, and thereafter, six each year for three years."

An address made by Mr. E. J. Cattell was thoroughly enjoyed and appreciated. Mr. Cattell's talk was quite optimistic and encouraging. It is the plan of the officers of the Association to procure a good speaker for forthcoming meetings by way of drawing a larger attendance and securing more active workers.

A musical program was well arranged and well received by the members and

Dear Mr. Jacobs:

I wish to express my appreciation, through Our Town, for the kindness of the people of Narberth and Fred Walzer's All-Star Baseball team, for their work on my behalf while I was a prisoner in Germany. The money (\$75.00), so kindly taken care of by Mrs. Romaine C. Hoffman, has, through her efforts, been received by me. Fortunately this money was not sent to me in Germany. My many thanks to you all.

Sincerely,

Editorial

KEEP AT IT.

The slogan "Over the Top in 48 Hours" adopted by the Liberty Loan Committee of the Main Line has had a splendid fulfillment, as everyone who lives in this "garden spot of the world" knew it would.

It's history repeating itself—for we have been leaders in every drive since the war began.

The warning that has been given by the chairman, Mr. David S. Ludlum, who has piloted all the loans in this district, should arrest the attention of every one—workers and subscribers. To go over the top in such a splendid dash is indeed a magnificent achievement—and one of which every resident feels proud, but—as our leader says, "no fighter stops with a win in the first engagement."

The records of the past loans show the Main Line district leading in a most emphatic manner with big over-subscriptions. The VICTORY LOAN, the last and perhaps the most important of all, should lead all others.

The money subscribed in this loan will bring back our men who went away across the seas to make the world safe for democracy. Weave the laurel wreaths, build triumphal arches, welcome home the victors. But pay first all the money that it's going to cost to get the last man back and settle the balance sheet of civilization.

All together, now; a long pull and a strong pull to the last day of the drive.

Let's show what a big oversubscription the Main Line can roll up!

A LETTER WORTHY OF CONSIDERATION.

To the Librarian of Narberth Y. M. C. A.:

Miss MacDonald, who as you know is doing library work among the soldiers overseas, says in some of her letters: * * * "We are in process of getting the books in shape so that special calls may be filled and also do up the packages that go to places where there are no libraries. These requests range from 15 to 200 books and also magazines. Then 'Y' secretaries come in for books to take with them and Red Cross workers and soldier boys who have a car or are taking baggage or freight. * * * We cannot keep up with this demand for lack of books and people to wrap them up. * * *

"Our work seems to grow and grow—if we can only get the supply of books needed. * * * We are about strapped for magazines. * * *

Having read these and other reports from Miss MacDonald as they have come to us, it has not surprised us at all to receive from headquarters a strong appeal for books for the overseas work. It is announced that 750,000 volumes are needed by July 1, and Pennsylvania is asked to provide 100,000 of them.

Will we do it? Of course we will! Let us remember that there are still a million or more men over there, and that 500,000 will probably be needed for a long time to come.

Let us see to it that we do our share to make them comfortable. In the shifting conditions over there it is impossible to do things as systematically as in our own libraries. Books wear out rapidly and cannot be rebound as at home, and the supply must be large to meet the great variety of demands.

Will you not make an appeal to your people to contribute good, clean, fresh books, principally fiction, to be sent over for these men? They are so anxious to get them they will tramp for long distances and surely we will do our share.

WAR STAMPS.

To invest in War Stamps is not only a patriotic duty which all of us should regard, but it is an investment which cannot be beaten because of the rate of interest paid and the privileges connected with it. Union County, Pa., has purchased \$3.19 per capita for 1919, and three months of the year have not passed. Montgomery County has purchased \$.55 per capita and Narberth \$.85 per capita. The good patriotic people of our town should give proper attention to War Stamps.

Women's Community Club Stage a Large Luncheon

MRS. H. S. PRENTISS NICHOLS AND
MRS. RUDOLPH BLANKENBURG
GUESTS OF HONOR.

The Woman's Community Club of Narberth, reached the zenith of its young career on Thursday, April 24th, when representatives of women's clubs from Philadelphia, Montgomery and Delaware Counties partook of "The Round Table" luncheon given by this organization.

The speakers included women prominent in club activities. In addition to the guests of honor mentioned above, there were Mrs. D. T. Yocum, of Ridley Park; Mrs. Edwin A. Yarnall, of Swarthmore; Miss Marion Goentner, of Hatboro; Mrs. Walter Sibley, of Germantown; Miss Jane Campbell and Mrs. Robert J. Rolston, chairman of Montgomery County Federation of Women's Clubs and chairman Montgomery County Women's Liberty Loan Committee.

Mrs. Blankenburg, representing the Civic Club, brought to the assembly's attention the measure being introduced in the Legislature designed to throw open the schools of the State to the use of the community.

Miss Jane Campbell's "Then and Now," taking us back twenty-five years and the present time, evoked much amusement and was warmly applauded.

Mrs. C. P. Fowler, chairman of the Women's Community Club and the Narberth Women's Victory Loan Committee, presided and introduced the speakers. The only man present was Rev. P. M. Gray, pastor of the Narberth Methodist Church, an honorary member of the club, who offered prayer.

Mrs. Nichols laid great stress on the splendid work done in the communities by the women's clubs and the raising of the standards of the American homes to the finest in the world.

Mrs. Yocum told of the splendid success of the community night held weekly in the Ridley Park School for the purpose of fostering democracy.

Mrs. Yarnall also urged against exclusiveness in women's clubs, telling how family traditions were broken when society women marched in the war workers' parade Wednesday. "Throw open your doors to every willing, right-spirited woman," was her last appeal.

Mrs. Sibley hoped the men's clubs would federate and co-operate with the women's organizations in an effort to clean up the city.

Splendid musical numbers were rendered by members of the club, under the able direction of the chairman of music, Mrs. Joseph Barclay.

Mrs. Charles Verna, chairman of hospitality, and her able committee excelled themselves in their efforts. The table decorations were of beautiful spring flowers, and the luncheon par excellence.

The favors were made under the supervision of Mrs. W. J. Mullholland and consisted of seasonable bunnies, chicks, etc., in the form of napkin rings. Altogether it was a most splendid affair and the members may well feel proud of their maiden effort.

FOR AIDS TO ASSESSORS.

The bill providing for assistant assessors in first-class townships and introduced by Assemblyman Pike, of Montgomery County, passed the House Tuesday, 185 to 9, after a debate between Pike and Simpson, of Allegheny. Pike used Lower Merion, with its ninety millions of property valuations, as an argument to increase the assessor force. Ninety days is too short a period to adequately cover this valuable territory.

Scout News

Many thanks are extended to the people of Narberth by the Boy Scouts of America for their help in making the Minstrel Show a success, about four hundred paying admissions. The general opinion of every one was that anybody who missed attending the show lost a chance of a lifetime. It was so appreciated that we were asked by the chairman of the Bryn Mawr Horse Show to bring our troupe there and show it for four successive days, but because of school and Victory Loan work we are unable to fill the engagement. Immediately upon getting home our Scoutmaster and manager was flooded with messages from parents asking whether their sons might join our organization. Pretty good for a termed "rough neck gang," eh? Scout Executive Carlson, of Delaware and Montgomery Counties, says that although he has seen dozens of Scout entertainments of various sort in the last seven or eight years that he has been affiliated with our organization, he has never seen one yet that beats ours, and says it will be a long time before he will ever see one as good. Again I say, pretty good.

Now to get down to the show itself. Everybody laughed with our comedians, Sherry, Stanley, Davis, and Faile, and many people have been heard telling their friends the latest jokes and conundrums they had heard at the Minstrel Show. The ballads by Scouts Brown and Rudolph were appreciated by every one, and by the volume of applause we believe their salaries would have been raised several notches if they had been professionals. Our chorus also has been lauded to the skies for their all around good work. After the Melange came First Aid and Signalling work by Scouts Odiorne, Swartz, Burt, and Kreamer. Then a monologue by Scout Stanley entitled "A Little of Everything," which caused many laughs at the expense of several prominent Narberthites. A sketch with two Scouts as actors came next, called "A Trip to Paradise," which amused the spectators immensely, especially when Sperry rides out on his faithful mule Davis and where he is admitted to heaven, only to be refused because of too many questions. Then picture slides of Camp Delmont, showing routine of camp and scenery about the camp site. The last act was the Scout Meeting Exhibition by Troop 1, Narberth, Pa., after which medals for Liberty Bond salesmanship were presented by the chairman of the Scout Council, Mr. George M. Davis, which closed the Minstrel Show, whereon everybody either adjourned to Howard's Drug Store or joined in the dance which followed. The music for the entire show and dance being furnished by a Jazz Band from Philadelphia and much appreciated by every one.

MERDA.

P. S.—Bully for our boys. Did yer see 'em go over de top? I luffed so mutch I got de "Flu."

We will be glad to book order for Jeddo Coal during the month of April at prices prevailing in Philadelphia and vicinity.

Most of you know that this coal is the best that comes to market, and to those of you who don't, we have no hesitancy in proclaiming the fact that if better coal exists anywhere in the wide earth it has not as yet been discovered.

Our thought is that the Coal Business will be slow this Spring and Summer, to be followed by a stampede in the Fall. Take our advice and order early, and don't forget to order from us, where you will get good coal and lots of appreciation furnished f. o. b. with the goods.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

All together now—a long heave, a strong heave—a heave that'll put the Loan far past the mark that Uncle Sam has set.

Get under it now. With every penny you can rake and scrape, put it across!
